## ABOUT OUR CLUB

WE ARE BASICALLY A FAMILY CLUB THAT ENJOYS THE MYSTIQUE AND PRESERVATION OF ALL CLASSIC 55 - 57 CHEVYS IN ANY FORM OR STYLE YOU CHOOSE. WE PARTICIPATE IN CLUB RUNS, CAR SHOWS AND TOURS CONDUCTED BY OUR CLUB OR OTHER CLUBS. WE ASSIST EACH OTHER IN LOCATING CAR PARTS AND WE WORK TOGETHER TO DEFEAT LEGISLATION THAT MAY BE HARMFUL TO OUR HOBBY.

## GREETINGS:

The turnout for our March event was better than I expected. We had 24 members cruise to San Jose for a tour of the Winchester Mystery House. It rained the day before so I was really glad to see dry roads and the sun shining on morning of the 13th. New members, Steven Costa and Jim Santos showed up with their cars. Steven has a 1957 Sedan and Jim has a 1956 hardtop he recently purchased. It was great to see so many cars from our club together on the road. After the Mystery House tour we went to Courtesy Chevrolet for our monthly meeting.

At the meeting, we voted to lower our annual club dues to \$20 per family. Hopefully the lower dues will encourage new members to join and possibly some old inactive members to become active again.

We also discussed radio communication at the meeting. In the past we have used CB radios. I made a suggestion that we switch to FRS/GMRS walkie-talkies. CB radios operate on a low frequency AM band and need a long antenna. FRS/GMRS walkie-talkies use an ultra high frequency FM signal and only require a short length fixed antenna. With a walkie-talkie you don't have to mount an antenna on your car. The range of the walkie-talkie is almost as good as a CB radio. The FRS-GMRS walkie-talkies are available at stores like Walmart, Best Buy or Radio Shack for less than \$50 a pair.

Our April event will be hosted by the Scott Family, Jim and Marilyn are planning a trip to a Hot Rod shop in Sonora. Jim will provide us with the details at our next meeting at Perko's on April 10th.
