P R E S I D E N T ' S M E S S A G E

Hello Fellow Car Lovers:

The Club picnic was a success, even though the temperature hovered around 105F. I showed up a little late just in time to eat a dog and watch the end of the raffle and some fun and games.

Thanks to Bob Paulet for showing up soooooo early and savings a great spot for us to picnic. Thanks also to Jim and Marilyn Scott and girls, and Beth without their help the picnic would not of happen.

Our next meeting is at the Scott Park in Modesto, and since we have some left over hot dogs, we will have another barbecue, so bring your chairs, drinks and enjoy. We'll see if anyone can come up with a run or two.

FAMILY NEWS. by Marilyn Scott

Summer Picnic - Big Thanks to Bob Paulet for getting to the park at 6AM to get us a spot and for Beth Pearson for arriving at 8am. It was discussed that next year the picnic be moved to either May or September to beat the heat and to reserve one of the covered spots that are for rent. Wonderful to have guest Gene and Del Ceccarelli & Family (Atwater), Dave & Bernie Cook (Atwater), and Herb & Ella Newbert (Lodi) join our group for the day. Also super thanks to Lenny & Laura Martin and Jim Scott for organizing the games. It got hot in the late afternoon, but prior there was a nice breeze. Dropping by to say hello was Alan M Lee who is interest in our club. He worked with Claude and Sharon Stewart. Big thanks to everyone that attended and to Mama Del Ceccarelli for the coffee and donuts.

Laura Martin discussed the Wool Grower Trip. She contact the restaurant and they only offer three choice for the lunch menu. We are going to try to arrange an evening dinner instead in the future.

Condolence to Wayne Carver on the recent loss of his sister Kathryn Hicks

FOUND at Picnic - pair of black croe in bright yellow bag. Will bring to August meeting or contact Marilyn Scott if any questions.

HTTPS: The S stands for Secure. If you visit a website or webpage, and look at the address in the web browser, it will likely begin with the following: http://. This means the website is talking to your browser using the regular unsecure language. In other words, it is possible for someone to eavesdrop on your computer's conversation with the website.
