PRESIDENT'S MESSAGE

Hello All:

Beth and I didn't get to go to the A & W on the 20th, but understand a good time was had by all. We will be on vacation next month (15 days only). We will be there for the pic-nic at Micke Grove Park. See You All There. .

Mike Pearson
President

PICNIC PARADE

VOLUNTEERS NEEDED:

Mike has to work that morning, so looking for volunteers to get us a spot, bbq lunch, provide games, etc.

Please contact Mike to let him know you can help. BIG THANKS

CHUCKLE FOR THE DAY.....

A teacher was doing a study testing the senses (taste).

The children began to identify the lifesaver flavors by their colors:

Red - - - - -Cherry

Yellow - - - - -Lemon

Green - - - - -Lime

Orange- - - - -Orange

Finally the teacher gave them all HONEY lifesavers. None of the children could identify the taste

The teacher said "I will give you all a clue. It's what your mother may sometimes call your father."

One little girl looked up in horror, spit her lifesaver out and yelled, "Oh my God! They're butt-holes!"

The teacher had to leave the room.

(Sorry if this offended anyone. . .I thought it was cute..

FAMILY NEWS. by Marilyn Scott

Must apologize for running out of the \$5 raffle tickets. We had a wonderful turnout and went through more tickets than normal. Sorry!

PHOTO OP: Bring your classic to the July 18th picnic. Steve Dampier would like photos of the members and their cars for the Website. If you haven't checked it out, do it now. www.567chevyclub.com

Hard to believe the year is half over. Time to start considering donating some of your time to the club and run for an office. I know the Vice President job will be open.

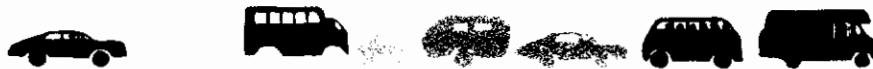

Danny Mora and Bill Edwards were at the June meeting and looking great. No update on Dan Hudson or Sharon Stewart..

Note: the change on the July meeting to the 18th to allow Mike Pearson to attend.

Glad to see everyone enjoyed the ice cream social. July will be the summer picnic and August will be the hot dog feed by the Scott Family. Also possible road trip to the Wool Growers in Los Banos. Hope to see you at the Picnic.

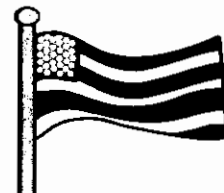

FYI:

The whole world is afraid of China-made "black hearted goods". Can you differentiate which one is made in Taiwan or China? If the first 3 digits of the barcode is 690, 691 or 692, the product is MADE IN CHINA. 471 is Made in Taiwan. Nowadays, Chinese businessmen know that consumers do not prefer products "MADE IN CHINA", so they don't show from which country it is made. However, you may now refer to the barcode, member if the first 3 digits are:

Don't be fooled that the more expensive items are made in US. Check them out.

- 690-692 - MADE IN CHINA
- 49 - JAPAN
- 00-09 - USE & CANADA
- 50 - UK
- 30-37 - FRANCE
- Hershey's candy made in Mexico
- 40-44 GERMANY
- Colgate made in Mexico
- 47 - TAIWAN
- GF bulbs made in Mexico
