P R E S I D E N T ' S M E S S A G E

Hi Everyone:

May 15,2009

Good meeting last week. Up coming event at A & W in Lodi on Saturday June 20, 2009 (A&W's 90th Anniversary) 200 cars, cake for 5000. What a great opportunity to have some fun, show off cars, meet friends and EAT.

We scheduled the June meeting at the T.B. Scott Park with ice cream being served. The Car Club Annual Summer Picnic scheduled for July.

Have a great month and see you in June.

Mike Pearson
President

Club will provide the Ice Cream, bowls, spoons and napkins at the meeting. Bring your favorite ice cream topping or side dish to share.

Don't forget your chairs, we will be on the lawn at the Scott Park (map attached)

CHUCKLE FOR THE DAY.....

Comments Made in the Year 1955.

When I first started driving, who would of thought gas would someday cost 29 cents a gallon. Guess we'd be better off leaving the car in the garage.

Kids today are impossible. Those duck tail hair cuts make it impossible to stay groomed. Next thing you know, boys will be wearing their hair as long as the girls.

I read the other day where some scientist thinks it's possible to put a man on the moon by the end of the century. They even have some fellows they call astronauts preparing for it down in Texas.

I never thought I'd see the day all our kitchen appliances would be electric. They are even making electric typewriters now.

The drive-in restaurant is convenient in nice weather, but I seriously doubt they will ever catch on.

There is no sense going for a weekend, it costs nearly \$15.00 a night to stay in a hotel
