# P R E S I D E N T ' S M E S S A G E

Hi Everyone:

We all had a great time at the gold mine at Sutter's Creek. Charlie was a real character. Very knowledgeable. Unfortunately, Caveman had a little problem with a gas line but was able to fix it without tearing the Corvette apart.

The next meeting will be 9th of May at Perko's. I believe June thru September we'll be meeting in the park (I forget the name). Hope we can come up with some more day runs. June 20th would be nice to show up as a club at A & W in Lodi for their birthday party. I'll see how everyone feels and we can plan.

## CHUCKLE FOR THE DAY.....

FAMILY. .Three sisters, ages 92, 94 and 96 live in a house together. One night the 96 yr old draws a bath. She puts her foot in and pauses. She yells to the other sisters, "Was I getting in our out of the bath?" The 94 yr old yells back, "I don't know. I'll come up and see." She starts up the stairs and pauses " Was I going up the stairs or down?". The 92 yr old is sitting at the kitchen table having tea listening to her sisters. She shakes her head and says, "I sure hope I never get that forgetful, knock on wood." She then yells, I'll come up and help both of you as soon as I see who's at the door."

...It's scary when you start making the same noises as your coffee maker.

...THE SENILITY PRAYER

Grant me the senility to forget the people I never liked anyway,  
The good fortune to run into the ones I do, and the eyesight to  
tell the difference. . .
